

PRECIOUS MOMENTS

Job 2:11-13

- ✦ There are moments that money can't purchase and only a right heart can make happen.
- ✦ Why does the Bible have so many "precious moment" events mentioned?
ANSWER: To give these as true examples of the Christian's actions.
- ✦ Almighty God sets up precious moment possibilities for us. It is up to us to see them carried out for others.
- ✦ Almighty God, too, needs precious moment events...
FOR HIM!
- ✦ George Barna, a Christian pollster, says that only 9% of Christians use the Bible and its teachings to make decisions.
- ✦ How precious is the WORD of God (the Bible) to you? Really.
- ✦ Are the people of your neighborhood precious to you?
~Enough that you care about their souls?
~Enough to make a difference in their lives?
- ✦ Jesus didn't come to fix us; He came to replace us. With the Holy Spirit-filled self instead of the world self so that we, as His family, can be difference makers.
- ✦ The Bible says to "encourage one another." That is referring to everyone around you, not just those closest to you.

Memory Verse:

"Encourage one another, be an encourager, build each other up."

—1 Thessalonians 5:11
