

"Being a Real Man"

Exodus 3:21

The story of Danny and his good, but unsaved, dad.

It's somewhat easy being the world's man (dad).

It's not always easy being God's man (dad). =

Takes discipline. Takes personal sacrifice.

It means being an empty vessel for God alone to fill.

What is a real man in God's eyes?

- It is a man who can act with grace under fire.
- It is a man who comes home from work tired and makes time for his wife and kids.
- It is the guy who has as his top priority to lead his kids and wife to Christ for a lifetime and an eternity.
- A real man raises the standards of decency around him.
- A real man in Christ does not hide his light under a bushel.

Memory Verse
